Eligibility Criteria

Lincoln Pelican Trust Limited has developed and refined a programme of work experience and training with considerable success that has proved to be positive, practical and rewarding.

To ensure quality standards, Lincoln Pelican Trust Limited is able to accept or reject any application (on various grounds). This protects the current learner group from individuals considered unsuitable, due to inappropriate behaviour, arson etc. Such reasons must always be open and preferably stated in advance, to avoid the inefficiency of declined referrals.

It is anticipated that referrals will be made from a variety of professional sources:

- Psychiatrists
- Social Workers
- Disability Employment Advisors
- Private Health Care Sector
- Voluntary Organisations
- Community Psychiatric Nurses
- Key Workers
- General Practitioners
- Training Agencies
- Self Referrals

Please refer to the following guidelines when considering a referral:

1. Placements are available to all those of working age with a mental health problem, learning or physical disability.
2. Placement will be on the basis of potential for the individual to benefit from the development programme.
3. Potential applicants must have no current drug/alcohol problem, unless currently undergoing or completing a regime of treatment.
4. Applicants must be motivated to attend and can demonstrate a commitment to employment/training.
5. Appropriate interaction in a group situation.
6. All applicants to Lincoln Pelican Trust Limited must have a Personal Budget or other funding available (e.g. self funding) to cover the cost of £40 per day of attendance. The funding must also cover any travel costs the applicant incurs.
7. Mental Health Service Users aged between 18 and 64 years old who are not in residential care may be referred for attendance on the Keeping on Track project. This project is funded by the Lincolnshire Partnership NHS Foundation Trust Mental Illness Prevention Fund.

Lincoln Pelican Trust Limited is committed to the assessment and evaluation of every individual and therefore requests an invitation to attend case conferences/reviews in order to give and receive appropriate information.

Data Protection Act 1998 – Lincoln Pelican Trust Limited is likely to put information onto a computer to assist with record keeping.
